CALL FOR NOMINATIONS TO THE BOARD OF DIRECTORS

January 1, 2023

San Francisco Suites Owners,

As we begin a new year, the San Francisco Suites is preparing for its Annual Owners' Meeting to be held on Saturday, March 11, 2023, and for the election of one (1) Director -- two (2) directors will be elected in each of the next two years due to staggered terms of the Directors. We encourage owners to consider serving on the Board of Directors, and if you are interested in serving please complete the accompanying application and review the Board Directors' commitment pledge. You may also include a one page resume. A candidate must be an owner in good standing (an individual named in the deed, the trustee of a trust, or a designated representative of an entity owner) and meet the qualifications outlined in the Association's By Laws (located on the web site www.sfsuitescsa.com).

We are a self-managed Association, and Directors are required to attend scheduled Board meetings at least five times a year and to actively participate in the business of the Association. The Board establishes policy, manages the financial affairs of the Association, and works closely with the General Manager, who oversees the daily operations. The Board is also responsible for strategic planning and special projects. Serving on the Board requires a commitment of time and effort, but it can be a very gratifying experience, and can bring satisfaction to those who provide an important service to the Association and the Suites.

Completed Applications must be returned by February 1, 2023, to be eligible to stand for election. We will then prepare the voting packets for mailing to the membership on February 10th, 2023.

Please send your application to:
